Memo No. B1. 100-30—40-41—D., dated 17th September 1940.

Subject to the usual conditions of satisfactory progress, good conduct and regular attendance at school and also the general condition that a scholar shall not hold more than one scholarship at a time, the students of Middle and Upper Primary Classes whose names are shown in the appended lists are awarded Depressed Class Scholarships at the rates mentioned therein. The scholarships are tenable for a period of ten months from the date of re-opening of the school, after summer holidays or from the date of the candidate's joining the school, whichever is later, till the end of February 1941. The scholarships are awarded on the distinct understanding that as indicated in the respective applications, the students who have been granted scholarships at the full rates were successful at the last annual school or public examination as the case may be. If, however, any failed candidate has been awarded the scholarship at the full rate, the Heads of Institutions concerned are directed to withhold the scholarship and report the fact to this office for further orders.

The scholarships may, as usual, be drawn and disbursed to the scholars by the Heads of Institutions concerned immediately.

The Heads of Aided Institutions will send to this office scholarship bills in respect of students of their schools who have been awarded scholarships, for the countersignature of the District Educational Officer.
